

SGL 176 Prescribed Fire

The PA Game Commission and partners plan to ignite a prescribed fire on State Game Lands 176, Scotia Barrens in Patton Township. This one day prescribed fire will occur between April 6th and May 8th depending on weather. The prescribed fire will burn 95 acres of State Game Lands in an area southwest of Patton Woods and just northwest of the Greenbiar development. On the day of the fire, this area of SGL 176 will be closed to the public. Due to smoke conditions, your visibility may be decreased, please use caution while driving in the area. Individuals with respiratory ailments should avoid breathing smoky air. On the day of the fire, an alert will be posted on the C-NET Bulletin Board and other media outlets.
